January 1 – April 30	December 15, 5pm CST

- \$500 per student per year; or \$250 per student per semester
- Reimbursement only covers registration and transportation expenses.
- Travel grants are rarely funded in full. Most students receive 50-80% of requested funds. Grants are allocated based on the number of students who apply.
- Students need original receipts, valid proof of attendance, valid proof of presentation, valid airline travel proof.

Travel Reimbursements

- A digital PDF must be sent from the representative to the GSSA treasurer no later than 2 weeks after the conference or presentation date.
 1. The student collects the materials according to the directions on the GSSA website (under "Travel Funding"), and sends their reimbursement packet as a single PDF document to their representative.
 2. The representative checks the reimbursement document is completed, signs the document, and then forwards it to the GSSA treasurer.
- It may take up to **8 weeks to process checks**. Checks are available at OGPS office or mailed to the recipient if requested. ****Since the pandemic, most reimbursements have switched to direct deposits****
- Items can only be reimbursed to the person who paid for them.

Event Requests

- Departments can apply individually or jointly (contact the treasurer for joint events).
- Less than \$300 requires an application and a representative to present to the assembly.
- Greater than \$300 requires an application, an itemized budget emailed to the treasurer and a representative to present to the assembly.
- Events must be approved on Wavesync **3 weeks before the event** and the online event request must be in at least **4 days before** the GSSA meeting preceding the event.
- GSSA CANNOT reimburse an individual student for alcohol purchases.
- Event Requests can be purchased by an individual student in the department (for individual reimbursement), or purchased using a department purchase card (for IT department reimbursement).
- It is recommended that departments submit all or most event requests at the start of each semester.

Event Reimbursements

Speaker Requests

- One per department per semester
- Coordinate with the GSSA treasurer as early as possible (8+ weeks).
- The event needs to be requested (and approved) through Wavesync 6 or more weeks ahead of the speaker date.
- Requests must be submitted for the assembly's vote four days before the GSSA meeting prior to the speaker event, but we recommend 6 weeks in advance.
- GSSA Allowances:
 - Honorarium: up to \$350. Exceptions can be made at the discretion of the GSSA Assembly
 - Travel: up to \$500 airfare
 - Lodging: up to \$100 per diem – maximum 2 nights
 - Please note that a 30% tax applies to international speakers unless their country has a tax treaty with the US.
- There are separate processes for US citizens (or permanent residents) and foreign nationals residing in the US or Internationally. See the website for details.

Speaker Reimbursements

- To be reimbursed for honorarium, after the contract and W-9 have been filled out by the speaker, submit a request to the GSSA Treasurer to complete the online payment form on Wavesync.
- Travel or lodging for a speaker must be done with an IT form and proof of travel/lodging. This is also done on Wavesync. Submit a request to the GSSA treasurer.

If you have specific questions that are not covered here, please see the website gssa.tulane.edu. There is also a comprehensive training packet on the website under GSSA documents that breaks this down even further.
